

# "A Horse With No Name" by America c3

## [Verse 1]

Em

D6/9

On the first part of the journey... I was lookin at all the life...

There were plants and birds and rocks and things... There were sand and hills and rings

The first thing I met was a fly with a buzz... and the sky with no clouds

the heat was hot and the ground was dry... but the air was full of sound.

## [Chorus]

Em

D6/9

I've been through the desert on a horse with no name... it felt good to be out of the rain... in the desert you can remember your name... 'cause there ain't no one for to give you no pain.

## [Verse 2]

Em

D6/9

After two days in the desert sun... my skin began to turn red

After three days in the desert fun... I was looking at a river bed

And the story it told of a river that flowed... made me sad to think it was dead

## [Chorus]

Em

D6/9

U-C I've been through the desert on a horse with no name... it felt good to be out of the rain in the desert you can remember your name... 'cause there ain't no one for to give you no pain.

## [Verse 3]

Em

D6/9

After nine days I let the horse run free... 'cause the desert had turned to sea  
there were plants and birds and rocks and things... there were sand and hills and rings  
The ocean is a desert with it's life underground... and the perfect disguise above  
Under the cities lies a heart made of ground... but the humans will give no love

## [Chorus]

Em

D6/9

U-C I've been through the desert on a horse with no name... it felt good to be out of the rain in the desert you can remember your name... 'cause there ain't no one for to give you no pain.
