Angel by Jack Johnson (Capo 2nd)

[Intro]

C---Em---Am---F---Dm---G---C---C

[Verse 1]

```
        C       Em                          Am---F
I've got an angel      She doesn't wear any wings
            Dm
She wears a heart that can melt my own
            G                           C
She wears a smile that can make me wanna sing
```

[Verse 2]

```
        C       Em                          Am---F
She gives me presents      With her presence alone
            Dm
She gives me everything I could wish for
            G                           C
She gives me kisses on the lips just for coming home
```

```
           C       Em                          Am---F
She could make angels      I've seen it with my own eyes
              Dm
You've gotta be careful when you've got good love
       G                              C
Cause the angels will just keep on multiplying
```

```
  Dm                            G
But you're so busy changing the world
       Dm                         G
Just one smile and you can change all of mine
```

```
                  C       Em          Am
We share the same soul... Oh oh oh oh oh ohhh
                  C       Em          Am
We share the same soul... Oh oh oh oh oh ohhh
                  C       Em          Am
We share the same soul... Oh oh oh oh oh ohhh
              F     G           C
Oh oh oh oh oh ohhh... Umm  umm  umm  uhhhhhhhmm
```
