

El Camino by Amos Lee (Capo 4th)

[Intro]

G-----D/F#-----G--G7--C | G-----D/F#-----C--D--G

[Verse 1]

Well to all my friends, that treated me so well

You know I'm headed out, to that Mission bell

Gonna wash my soul, I'm gonna get it clean

Headed down the border road, called the El Camino

[Verse 2]

Well I've been a prince, you know I've been a post

By a barbed wire fence, and a murder of crows

I'm leaving all I've loved, and all I've have seen

Headed down the border road, called the El Camino

Headed down the border road, called the El Camino

[Bridge 1]

Yeah, my heart's grown sick, I got a shepherd's crook

as a walking stick, and I'm headed on.

Yeah, my heart's grown blue, I've done wrong by you

I don't know what to do, and I'm moving on, yeah I'm moving on

[Verse 3]

G **D/F#**
One and one is two, and two and two is four

G **G7** **C**
I'm walking back and forth, on your cracked tile kitchen floor

G **D/F#**
With the orange juice and the sun that shines

G **G7** **C**
It really breaks my heart, leaving you behind

G **D** **G**
It really breaks my heart, leaving you behind

[Bridge 2]

Bm **C** **G** **Bm** **C**
And all my ships have sailed away... The price of this politic,

D **G**
That there's plenty of time to pray, and plenty of time to waste away

[Interlude]

[G]-----**D/F#**-----**G**---**G7**---**C** | **G**-----**D/F#**-----**C**---**D**---**G**

[Verse 4]

G **D/F#**
Well to all my friends that I've loved the most

G **G7** **C**
You know I'm headed out, to that other coast

G **D/F#**
Gonna wash my soul, I'm gonna get it clean

C **D** **G** **C**
Headed down the border road, called the El Camino

G **D** **G**
Headed down the border road, called the El Camino
