[INTRO]

E E E E

E E

Every mornin' an' every evenin'

A E

Every day I, I think of you

B7 E E

The way you love me, through and through

E E

And when I'm with you, it feels like heaven

A E

And you're an angel, holdin' me

B7 E E

Your sweet, sweet lovin', it sets me free

E E

And in my wildest, imagination

A E

I could never, imagine you

B7 E E

Lovin' me as much as, as I do you

E E
And it may be winter, it may be fall
 A E
I might have plenty or nothin' at all
 B7 E E
But, baby, I'll be there whenever you call, ever you call

 E E
'Cause, every mornin' an' every evenin'
 A E
Every day I, I think of you
 B7 E
The way you love me, through and through
 B7 E E (fade out)
The way you love me, through and through
