[Intro]

A G D A   A E G (add an extra beat)

[Verse 1]

A   Em   D   A
 Just yesterday morning they let me know you were gone

A   E   G (add an extra beat)
 Susanne the plans they made put an end to you

A   Em   D   A
 I walked out this morning and I wrote down this song

A   E   G (add an extra beat)
 I just can't remember who to send it to

[Chorus]

D   Bm   A
 I've seen fire and I've seen rain

      D   Bm   A
I've seen sunny days that I thought would never end

    D   Bm   A
I've seen lonely times when I could not find a friend

   G   Em   A A7
But I always thought that I'd see you again

[Verse 2]

      A   Em   D   A
Won't you look down upon me, Jesus, you've got to help me make a stand

A   E   G (add an extra beat)
 You've just got to see me through another day

A   Em   D   A
 My body's aching and my time is at hand

A   E   G (add an extra beat)
 And I won't make it any other way

D   Bm   A
Whoa, I've seen fire and I've seen rain

        D   Bm   A
I've seen sunny days that I thought would never end

        D   Bm   A
I've seen lonely times when I could not find a friend

    G   Em   A A7
But I always thought that I'd see you again

      A   Em   D   A
Been walking my mind to an easy time, my back turned towards the sun

A   E   G (add an extra beat)
  Lord knows when the cold wind blows it'll turn your head around

           A   Em   D   A
Well, there's hours of time on the telephone line to talk about things to come

A   E   G (add an extra beat)
  Sweet dreams and flying machines in pieces on the ground

D   Bm   A
Whoa, I've seen fire and I've seen rain

        D   Bm   A
I've seen sunny days that I thought would never end

        D   Bm   A
I've seen lonely times when I could not find a friend

    G   Em   A A7
But I always thought that I'd see you, baby, one more time again

        G   Em   A
Thought I'd see you one more time again

          G   Em   A
There's just a few things coming my way this time around, now

        G   Em   A
Thought I'd see you, thought I'd see you fire and rain, now . . .
