If Tomorrow Never Comes by Garth Brooks c6

G   Am   D   C G   C   G

Sometimes late at night...   I lie awake and watch her sleeping

      D   Am   D   C   G   C   G

She's lost in peaceful dreams so I turn out the lights... and lay there in the dark

                         Am   D   C G   C   G

And the thought crosses my mind...   if I never wake up in the morning

D   Am   D   C   G   C   G

Would she ever doubt... the way I feel... about her in my heart

              C   G

If tomorrow never comes... will she know how much I loved her

          D   Am   D   C   G

Did I try in every way... to show her every day... that she's my only one

                   C   D   Em

And if my time on earth were through...   and she must face this world without me

          Am   D

Is the love I gave her in the past... gonna be enough to last

        G   C   G

If tomorrow never comes

G   Am   D   C   G   C   G
Cause I've lost loved ones in my life…   who never knew how much I loved them

        D   Am   D   C   G   C   G
Now I live with the regret that my true feelings for them never were revealed

                                Am   D   C   G   C   G
So I made a promise to myself…   to say each day how much she means to me

        D   Am   D   C   G   CG
And avoid that circumstance where there's no second chance… to tell her how I feel

                        C   G
If tomorrow never comes… will she know how much I loved her

                    D   Am   D   C   G
Did I try in every way… to show her every day… that she's my only one

                                        C   D   Em
And if my time on earth were through…   and she must face this world without me

                        Am   D
Is the love I gave her in the past… gonna be enough to last

If tomorrow never comes

                                Am   D
So tell that someone that you love… just what you're thinking of
