

Last Kiss by Wayne Cochran in 1961

C Am F G chords all the way through...

[Chorus]

Oh where oh where can my baby be
The good Lord took her away from me
She's gone to heaven so I've got to be good
So I can see my baby when I leave this world

We were out on a date in my daddy's car
We hadn't driven very far
There in the road I seen it straight ahead
A car was stalled the engine was dead
I couldn't stop so I swerved to the right
I'll never forget the sound that night
The screeching tires and the busting glass
The painful scream that I heard last.

[Chorus]

Oh where oh where can my baby be
The good Lord took her away from me
She's gone to heaven so I've got to be good
So I can see my baby when I leave this world

When I woke up the rain was pouring down
There were people standing all around
Something warm running in my eyes
But somehow I found my baby that night
I lifted her head she looked at me and said
Hold me darling just a little while
I held her close I kissed her our last kiss
I found the love that I knew I would miss
Well now she's gone even though I hold her tight
I lost my love, my life, that night.

[Chorus]

Oh where oh where can my baby be
The good Lord took her away from me
She's gone to heaven so I've got to be good
So I can see my baby when I leave this world

Woah, woah, woah, woah
Ohh, ohh, ohh, ohh
