[Verse 1]
```
          C                      G
When I find myself in times of trouble,
Am          G      F
Mother Mary comes to me
C                       G                 F   F/* C
Speaking words of wisdom, let it be
        C                 G
And in my hour of darkness, She is
Am          G          F
standing right in front of me
C                       G                 F   F/* C
Speaking words of wisdom, Let it be
```

[Chorus]
```
          Am              G              F              C
Let it be, let it be,   let it be, let it be
C                       G                 F   F/* C
Whisper words of wisdom, let it be
```

[Verse 2]
```
        C                 G
And when the broken-hearted people,
Am      G          F
living in the world agree
C                       G                 F   F/* C
There will be an answer, let it be
        C                 G
For though they may be parted, There is
Am          G          F
still a chance that they may see
```
