

# “One Friend” by Keb' Mo' (Capo: 2nd fret)

D A G.....

People come and people go

D A G.....

They take and they give..... and they....

D A G.....

Build you up just to let you down

D A D

That's just the way it is... But all I need is...

D A G.....

one friend to get me through the day

D A G.....

one friend who never goes away

D A G.....

Only one friend to understand

D A D

and never let me down

D A G (x2)

D A G.....

well I've been in love and I've been in pain

D A G.....

I'm a sinner and a saint..... and no matter.....

D A G.....

where I am or what I do

D A D

It's you I appreciate

D A G.....

My one friend to get me through the day

D A G.....

one friend who never goes away

D A G.....  
Only one friend to understand

D A D  
and never let me down

G D  
Can't nobody love you

G D  
More than you love yourself

G A D.....  
And as long as I've got my one good friend

G A D  
I don't need nobody else

D A G.....  
Just my one friend to get me through the day

D A G.....  
one friend who never goes away

D A G.....  
Only one friend to understand

D A D  
and never let me down

D A G.....  
All I need is one friend to get me through the day

D A G.....  
one friend who never goes away

D A G.....  
Only one friend to understand

D A D  
and never let me down

D A D  
and never let me down
