

# Reminds Me of You by Van Morrison

## [Intro]

C Em F F C G----F C

## [Verse 1]

C Em F C Em G

I miss you so much I can't stand it, seems like my heart is breaking in two.

C Em F C G----F C

My head says no, but my soul de-mands it, everything I do re-minds me of you.

## [Verse 2]

C Em F C Em G

I miss you so much, in this house full of shadows, while the rain keeps pouring down my window, too.

C Em F C G-----F C

When will the pain recede to the darkness, from whence it has come? And I'm feeling so blue.

## [Bridge 1]

F Em F G C C7

Ain't goin' down no more to the well, sometimes it feels like I'm going to hell.

F Em F G----F C

Sometimes I'm knocking on your front door, but I don't have nothing to sell, no more.

## [Verse 3]

C Em F C Em G

Seems like my spirit is pushing me onwards, I'm able to see where I tripped and went wrong.

C Em F C G-----F C

I'll just have to guess where my soul will find comfort, but I miss you so much, when I'm singing my song.

## [Solo]
