

# Still Waters by The Hello Darlins feat. Matt Andersen (Capo 4th)

**[Intro]** G C G C G D

**[Verse 1]**

G C G  
When I'm restless... and when I'm broken

C G D  
When my heart's been sinkin' heavy like a stone

G C G  
From the darkness... in the distance,

C G D  
there's an answer like a lighthouse in a storm

**[Chorus]**

C G D  
Still waters won't you carry me home

C G D  
Still waters give me peace in my soul

C Em D C  
When I'm weary and I can't go on

G D G  
Still waters gonna carry me home

**[Verse 2]**

G C G  
Well I'm the angel... and I'm the sinner,

C G D  
sailing forward on the highs and every low

G C G  
Let me rest there... by the river

C G D  
with my reflection that nobody really knows

## [Chorus]

C G D  
Still waters won't you carry me home

C G D  
Still waters give me peace in my soul

C Em D C  
When I'm weary and I can't go on

G D G  
Still waters gonna carry me home

## [Solo] G C G C G D

## [Verse 3]

G C G  
For my brother... and for my sister

C G D  
Fighting battles that nobody ever sees

G C G  
Don't you give up... and don't you give in

C G D  
let the water bring that silent reverie

## [Chorus]

Still waters gonna carry you home

Still waters bringin peace to your soul

C Em D C  
When you're weary and you can't go on

Still waters gonna carry you home

G D G  
Still waters gonna carry me home
