

# This River by JJ Grey & Mofro (Capo 7<sup>th</sup>)

Intro: G Em C D G

## [VERSE 1]

I stare at a picture but there's nothing for it

I pull on the bottle and watch this river roll on by

Trying to find purpose trying to see meaning

Trying to make sense of the nonsense that I've called my life

## [CHORUS]

Cause only this river can bear me to safety

Only this river can bear me away

## [VERSE 2]

See them all work and play there on the other bank

Warm in their houses while I face my cold alone

Guess I've been drinking away to keep the wolves of my mind at bay

but if you run you die I'm just too tired to care

**[CHORUS]**

Cause only this river can bear me to safety

Only this river can bear me away

**[VERSE 3]**

I feel Her flowing, flowing right through me

I hear Her whispers drowning my words

Only this river

Only this river,

Only this river can save me from myself

**[Outro]**

Where did my soul go?

Where did my spirit hide?

Why won't they rescue me from the pain in my mind?

Only this river in all of her glory

Only this river can bear me away

Only this river, only this river, only this river . . .
