

What are you listening to by Chris Stapleton (Capo 4th)

[Intro] G D Am C

[Verse 1]

G Am C
I put that record on. Girl you know what song...
D G
And I let it play, again and again.

[G] Am C
You're in every line. Takes me back in time.
D G
Yeah, tonight I'm wondering

[Chorus]

[G] D Em
What are you listening to? Is it a cover band in
C
some college town bar, where there's nah-nah-nah's
G D
and air guitars. Or is it, something to get you through.
Em

Just a sad song playing on a radio station
C

Tears still falling, heart still breaking
Am G
Cause you're hanging on. Or is it a love
C D
song, about someone new ooh...

G G (except when going to bridge)
What are you listening to?

[Verse 2]

G Am C
I like to believe. That you're just like me.
D G
Trying to figure out how a good thing goes bad.
Am C
And I don't know. I can't let it go, Yeah...
D G
it's about to drive me mad. [Back to Chorus]

[Bridge]

C
Is it a feel-good song, get you driving too fast?
G
Or one to get you moving on past the past?
Am
Or the kind that you can't help singing along?
G
Singing whoa, whoa, whoa, whoa.
C
If it's headphones on, on a downtown train.
G Am
Or a window seat on an outbound plane. Is it LA
D G
sunny or Memphis blue? I wish I knew, I wish I kneew. [Back to Chorus]

[Outro]

G Am C
I put that record on. Girl you know what song...
D G
And I let it play, again and again.
