

“When the Stars Come Out” by Chris Stapleton (Capo 6th)

[Intro] G F C G / G F C G

[Verse]

G F
I was looking for a change of scene, you were looking at a magazine.
C G
It was red carpets and limousines and the grass seemed so much greener.
G F
All we wanted was to get there fast, so we packed up everything we had.
C G
Running on hope and a tank of gas, like dreams ain't just for dreamers
F Em
We couldn't wait to leave that life behind.
Am C
Trying to find salvation in that city limit sign.

[Chorus]

G D
And one of those LA nights... When the stars come out.
C G G
Oh, the stars come out, and shine... And they burn so bright.
D C
They drown the downtown lights... When the stars come out.
G
Oh, when the stars come out.

[Verse]

G **F**
Everybody's somebody someday, everybody's got a part to play.
C **G**
Everybody's trying to find a way, to say what needs saying.
G **F**
Everybody's got a friend of a friend, somebody that can get you in.
C **G**
Begging angels for a sin, in a game that we're all playing.
F **Em**
You and I we're gamblers, holding cards that we can't see
Am **C**
And I'm betting on you, and you're betting on me

[Back to Chorus]

[Chorus solo]

G D C G / G D C G

[Bridge]

F **Em**
Down on the freeway, the sun is out of sight
Am **C**
And I got a feeling tonight might be the night
C
Yeah, tonight might be the night

[Back to Chorus]

[Outro]

D **C**
When the stars come out... Ohhh oh oh... when the stars come out.
G
Oh, when the stars come out.
