Better Man by James Morrison (Capo 2nd)

[Intro]   F   C   F   C

[Verse 1]

           F   C
There was a time… I had nothing to give.

      F   C
I needed shelter from the storm I was in.

                      Am   G   F
And when it all got too heavy… You carried my weight.

          Fm   D7   /
And I want to hold you, and I want to say…

[Chorus]

    C   C7   E7   F   D7   /
That you are all that I need… For you, I give my soul to keep.

    C   C7   E7
You see me, love me… Just the way I am.

  F   D7   /   C   E7
For you I am a better man.   I said you are the reason…

Am   F   F   G   C
  For everything I do… I'd be lost, so lost without you.

F   C   F   C

         F   C
Under the stars… at the edge of the sea.

            F   C
There's no one around… no one but you and me.

         Am   G   F
We'd talk for hours… as time drifts away.

              Fm   D7   /
I could stay here forever… and hold you this way.

     C   C7   E7   F   D7   /
'Cause you are all that I need… For you, I give my soul to keep.

    C   C7   E7
You see me, love me… Just the way I am.

   F   D7   /   C   E7
For you I am a better man.   I said you are the reason…

Am   F   F   G   C
   For everything I do… I'd be lost, so lost without you.
