## [VERSE 1]

G D Em C  
Where did all the people go? They got scared when the lights went low.  
G D Em C  
I'll get you through it nice and slow, when the world's spinning out of control.  
G D Em C  
Afraid of what they might lose. Might get scraped or they might get bruised.  
G D Em C  
You could beg and what's the use. That's why it's called the moment of truth.  
...yeah

## [CHORUS]

G D  
I'll get it, if you need it. I'll search, if you don't see it.  
Em C D  
You're thirsty, I'll be rain. You get hurt, I'll take your pain.  
G D  
I know, you don't believe it. But I said it, and I still mean it,  
Em C D  
When you heard what I told you. When you get worried, I'll be your soldier.

## [VERSE 2]

G D Em C  
Funny when times get hard, at the last moment when you're supposed to charge,  
G D Em C  
We're always on the longest yard... Oh, they feel their feet getting' cold.  
G D Em C  
Hiding here, hiding there. Find them underneath the stairs.  
G D Em C  
People hiding everywhere. Trying to be still as a stone. [BACK TO CHORUS]

## [BRIDGE]

Em D G C G D  
My aim is so-oh true. I wanna show you,  
Em D G C D  
I'll try for-e-e-ver. I'm never gonna say "surrender". [BACK TO CHORUS]
