[Intro] G   C   G   G   Em   D   C

[Verse 1]

G   C   G   G   Em   D   C
What day is it? And in what month? This clock never seemed so alive.

G   C   G   G   Em   D   C
I can't keep up and I can't back down. I've been losing, so much time.

[Chorus 1]

          G   Am   C   C
Cause' it's you and me, and all of the people.

      Em   G   Em   D
With nothing to do, nothing to lose.

          G   Am   C   C
and it's you and me, and all of the people.

      Em   G   Em   D   C
And I don't know why, I can't keep my eyes off of you.

[Verse 2]

G   C   G   G   Em   D   C
All of the things, that I wanna say, just aren't coming out right.

       G   C   G   G   Em
I'm tripping on words. You've got my head spinning. I don't know

        D   C
where to go from here.

[Chorus 2]

```
        G        Am       C        C
Cause' it's you and me, and all of the people.
      Em        G  Em         D
With nothing to do, nothing to prove.
        G        Am       C        C
and it's you and me, and all of the people.
      Em         G    Em          D          C
And I don't know why, I can't keep my eyes off of you.
```

```
Bm              C            G        D          Em
     Something about you now, I can't quite figure out.
Am                      D          Bm                      Cm/D
Everything she does is beautiful.  Everything she does is right.
```

[Chorus 3]

```
        G        Am       C        C
Cause' it's you and me, and all of the people.

      C        C           Em       G  Em         D
and all of the people, with nothing to do, nothing to prove.

and it's you and me, and all of the people.

And I don't know why, I can't keep my eyes off of you.
