I don't know... where I'm going,

Trying to find my way... to the light again.

But, I hear You calling... out my name, Lord
C **Em** **F** **C**
As I stumble down... this broken road.

So please keep calling... out my name, Lord.
C **Em** **F** **C**
So I can find my way... back home to You.

Please keep calling... out my name Lord.

All I want is to be... close to You.
