Simple Things by Teddy Swims (Capo 4th)

[INTRO]

F   C   G

[VERSE]

F   C   G
Small town living gets old when you got big dreams

F   C   G
Feels like you can only think as far as you can see

F   C   G   Am
18, tatted up, trying to sell weed, knowing I'd take the fall for the whole team

F   C   G
Wasn't trying to hear it everytime that you told me…

[CHORUS]

              F   C   G
It's the sound, of the rain, coming down, when you fall asleep

         F   C   G
It's a call, from a friend, that you love but never get to see

         F   C   E7   Am
All the time you could waste trying to chase what you'll never need

            F   C   G
Hope you come back around to simple things *{1st and 3rd Chorus}*
* Always comes back around to simple things *{2nd Chorus}*

*NOTE: **On the 2nd Chorus Only** start 1st line with **"Is"** instead if **"It's"** and the last line starts with*
"Always comes" instead of "Hope you come"

     F   **C**   **G**
How's it been four or five years since I've got down on my knees

       F   **C**   **G**
And how could I forget the sweet smell of the honeysuckles in the breeze

F   **C**
Would've never thought trying to chase this dream

   G   **Am**
Would give me nightmares, now I get no sleep

F   **C**   **G**
Now a days seems like the only thing that calms me…

[←BACK TO CHORUS]*

[BRIDGE]

    F   **G**   **C**
Like a song that you know from the past comin' on that you needed so bad

    F   **G**   **C**
Like a drink in your glass at the end of the day that you needed to have

    Dm   **Em**   **F**
Yeah, I try and still sometimes I mess it up

Dm   **Em**   **F**
Lately I've been asking myself what's enough…

[←BACK TO CHORUS]

[OUTRO]

     F   **C**   **G**
The simple things
