

Waiting There For Me by Aaron Lewis (Capo 3rd)

[Intro] Em C G G [x2]

[Verse]

Em C G G
I lost myself somewhere up in the Berkshires
Em C G G G
I went from Dallas, Texas to Nashville, Tennessee
Em C G
And everywhere I'd go, I'd seem to find you
G Em C G G
Waiting there for me

[Verse]

Em C G G
I fell down in a bar down in the Delta
Em C G G
Just tryin' my best to lose your memory
Em C G
I thought I'd lost you in the bottom of a bottle
G Em C G
But you were waiting there for me
G Em C G G
Waiting there for me

[Chorus]

C **G**
And guys like me don't always go to heaven
C **G**
'Cause sometimes me and God just disagree
C **D** **Em**
And if I don't go, she'll change her ways tomorrow
C **Em** **C** **G**
...to be waiting there for me
G **Em** **C** **G** **G**
She'd be waiting there for me

[Verse]

Em **C** **G** **G**
I stopped off at the Grizzly Rose in Denver
Em **C** **G** **G**
A friendly place that I could finally breathe
Em **C** **G**
But you must've had a faster way to get there
G **Em** **C** **G** **G**
'Cause you were waiting there for me
