<sup>C</sup> He had plastic bags wrapped 'round his shoes. <sup>C</sup> He was... covered with the evening news

<sup>C</sup> It was, freezin' rain and spittin' snow. <sup>G</sup> He was... curled up behind some garbage cans <sup>D</sup> <sup>G</sup>

## [Pre-chorus]

<sup>B</sup> I was afraid that he was dead, <sup>C</sup> I gave him a gentle shake

<sup>B</sup> When he opened up his eyes I said, <sup>C</sup> old man are you o-o-k... <sup>D</sup> he said <sup>Dsus4 - D</sup>

## [Chorus]

<sup>[D]</sup> I just climbed out of a cotton wood tree <sup>C</sup>

<sup>[C]</sup> I was running from some honey bees <sup>G</sup>

<sup>[G]</sup> Drip-drying in the summer breeze <sup>C</sup>

<sup>[C]</sup> After jumpin' into Calico Creek <sup>D</sup>

<sup>[D]</sup> I was walkin' down an old dirt road <sup>C</sup>

<sup>[C]</sup> Past a field of hay that had just been mowed <sup>G</sup>

<sup>Em</sup> Man I wish you'd just left me alone <sup>C</sup>

<sup>D</sup> 'Cause I was almost home <sup>G</sup>

**[Verse 2]**

Then he said... I was just comin' round the barn, 'bout the time you grabbed my arm  
When I heard mamma holler, son hurry up  
I was close enough for my own nose, to smell fresh cobbler on the stove  
and I saw daddy loadin' up the truck

**[Pre-chorus]**

Cane poles on the tailgate, bobber's blowin' in the wind  
Since... July of 55, that's as close as I've been..... Yeah, **[← Back to Chorus]**

**[Bridge]**

I said old man you're gonna freeze to death  
Let me drive you to the mission  
He said boy if you'd left me alone  
Right now I'd be fishin' **[← Back to Chorus]**

**[Outro]**

Man I wish you'd just left me alone  
I was almost home
