

Saint Honesty by Sara Bareilles (No Capo)

[Verse 1]

G **D** **Em**
We're leaving all the windows open... We don't even mind the rain.

C **G** **Am** **D**
Or where we let... the floors get wet... So what, if the hardwood stains.

G **D** **Em**
'Cause we're collecting evidence... Of one remarkable storm.

C **G**
How wild it was to find it... finally feel the climate.

Am **D**
Instead of only staying dry and warm.

[Chorus 1]

C **D** **Em----G**
R-a-i-n on us... S-a-i-n-t Honestyyyyyyyyyy

C **G** **Em** **A**
Salvation is coming in the morning, but now what we n-e-e-d

C **D** **G** **G**
Is a little rain on our face from you sweet, Saint Honesty

[Verse 2]

G **D** **Em**
So we won't sleep tonight... While we brace against the w-i-n-d.

C
For these hearts, they're weather-makers

G **Am** **D**
We'll go where they take us... Until we find ourselves, shelter again.

G **D** **Em**
We won't settle f-o-r the silence... We won't d-r-o-w-n in the tears
Am **G**
We'll say every single word... even if we think they'll hurt
Am **D**
Let the rain wash away these t-e-a-r-s

[← Back to Chorus 1]

[Bridge]

Em **C**
Ohoh, we won't let go, we'll be soaked, to the bone.
G **D**
Baptized by truth, we will reap what we sow.
Em **C**
Build our own higher ground when the rain's coming down.
G **D** **D**
This is worth it to me, Saint Honesty.

[Outro Chorus]

C **D** **Em** **G**
R.....a.....i.....n
C **G**
Salvation is coming in the morning
C **G** **Em** **A**
Wait patiently, aiming straight for it, but now, what we n-e-e-d
C **D** **G** **G {let fade}**
Is a little rain on our face from you sweet, Saint Honesty
