[Intro] Am   G   C---F   Am   G   C---F

[Verse 1]

```
            Am   G       C*
You with the sad eyes, don't be discouraged
     F*              Am              G
Oh I realize… it's hard to take courage
      C             Dm        C                      F
In a world full of people, you can lose sight of it all
         Am        G                        F          C
And the darkness inside you, make you feel so small
```

[Chorus]

```
              F     C       G*
But I see your true colors shining through
            F      C          F              G
I see your true colors, and that's why I love you
   F           C          Dm        Am
So don't be afraid to let them show
       F     C       F     C         G*                    Am
Your true colors, true colors are beautiful, like a rainbow
```

Show me a smile then, don't be unhappy,
        F*              Am              G
Can't remember when I last saw you laughing
    C                    Dm            C              F
If this world makes you crazy and you've taken all you can bear

You call me up, because you know I'll be there
