

# “Help Me Hold On” by Travis Tritt (Capo 3<sup>rd</sup>)

[Intro] G-----C-----G-----C-----

## [Verse 1]

G C  
Baby, close that suitcase you've been packing.

G C  
Just sit down and talk to me a-a-a while.

Am C  
I know you tried to tell me what was lacking,

Am D  
But I guess I must have missed it by a mile.

G C  
Well, this time girl, I swear to you I'll listen.

G C  
Help me understand where I went wrong.

Am C  
It's hard to find myself in this position.

Am D  
Scared that I'll go crazy once you're gone.

## [Chorus]

G C  
Help me hold on.....to what we had.

Am--- D--- G  
Once our love was strong.....it can be again.

G C  
You said it takes two.....to make love last.

Am--- D--- G  
You were right all along.....so help me hold on.

[Break] G-----C-----G-----C-----

[Verse 2]

G C  
What have I got to do to make it better?

G C  
What have I got to do to make you see,

Am C  
that even though I promised you forever,

Am D  
I never knew how hard that would be?

G C  
I realized I took your love for granted,

G C  
But I've learned that love worth having don't come free.

Am C  
And I'll pay any price it takes to keep you,

Am D  
satisfied and staying here with me.

[Chorus 2 X's]

G C  
Help me hold on.....to what we had.

Am--- D--- G  
Once our love was strong.....it can be again.

G C  
You said it takes two.....to make love last.

Am--- D--- G  
You were right all along.....so help me hold on. ←Repeat this line and end.
