

# Time and Love by Mike Adams (Capo 3rd) 4/4 - 67 BPM

[Intro:] G D C G [x2]

[Verse 1:]

G D C G  
Today was the first day, I woke up without you.  
G D C G  
Slept together forty years, since the day we said I do.  
G D C G  
Side by side we'd lay there, each and every night.  
G D C G  
Most times we be lovin' {Ohhh}, sometimes we'd fight.

Chorus:

G D C G  
It's about time... it's about love...  
G D C G  
Ya don't wanna waste these gifts... from God above.  
G D C G  
'Cause life goes fast... and then it's gone...  
G D C G  
Just like the night-time... when it meets the dawn.

[Verse 2:]

G D C G  
You could wake up in the morning, and find your time together is gone.  
G D C G  
and you won't have the chance to say, "I'm sorry, I was wrong."  
G D C G  
So, before we'd fall asleep, we'd always work things out.  
G D C G  
Cause when you really love someone {ya know}, that's what it's all about.

[Bridge:]

Em\* C\*  
Sometimes we think... there's always tomorrow...

C\* G\*  
and we'll have the time to make it right.

Bm\* C\*  
But as you know... life can slip away.

F\* D\*  
It can happen any moment... it could even be t-o-d-a-y.

[Break:] G D C G [x2]

[Verse 3:]

G D C G  
So, don't waste another minute... with the clock of life.

G D C G  
Try to fill every second with love and empty out all the strife.

G D C G  
Before you fall asleep, always work things out.

G D C G  
Cause when you really love someone {ya know}, that's what it's all about.

[Outro:]

G D C G  
Yeah, just like the night-time... when it meets the dawn.
