

She by Jelly Roll (Capo 2nd)

[Intro] D G D* x2

[Verse 1]

D G D*
See the sunrise in her eyes.

D G D*
Before the cold November rain.

D G D*
And if you've only knew her smile.

D G D*
You'd never know that she's in pain

[Pre-Chorus 1]

Em G
Nobody ever saw it comin'. It started with a little pill.

Em G
One thing led to another. Since then, it's all been downhill.

[Chorus]

D G
She was the life of the party. She was the one everybody.

Bm G
Used to wanna hang around. I bet they wonder where she is now.

D G
I wish I would've known. Before she was too far gone.

Bm G Gm
I'm afraid to lose her now. She's afraid of comin' down.

[Verse 2]

D G D*
I don't wanna say goodbye.

D G D*
She can't get herself to stop.

D G D*
I know that it'll take some time.

D G D*
But I'm scared that might be something that we don't got.

[Pre-Chorus 2]

Em G
Now everybody knows it's something. They see the writing on the wall.

Em G
And she feels like she's flying. While we're all watching her fall.

[Chorus]

D G
She was the life of the party. She was the one everybody.

Bm G
Used to wanna hang around. I bet they wonder where she is now.

D G
I wish I would've known. Before she was too far gone.

Bm G Gm-----D*
I'm afraid to lose her now. She's afraid of comin' down.

[Outro]

G Gm-----D {let fade}
She's afraid of comin' down.
