Through valleys and canyons, Life's River leads the way. C D G-----F#-----Em

While carving a path, where my dreams, can stray. C D G G

Through twisting turns, when Life's River, slows way down... G C G G

I'll just keep on floatin', down Life's River, to that Heavenly Sea. G C G G

(Chorus)

Oh, Life's River, let your flow, guide me home.
Take me away, in Your embrace, where I belong.
Through valleys and canyons, Life's River leads the way.
While carving a path, where my dreams, can stray.

(Verse 3)

Along the banks... Life's River, ebbs and flows.
The seasons change, but Life's River already knows.
Just where it's going and what's around the next bend.
So, I'm gonna trust and ride, Life's River 'til the very end.

(Outro Chorus)

Oh, Life's River, let your flow, guide me home.
Take me away, in Your embrace, where I belong.
And as Life's River, moves me closer to God's Ocean in the sky...
I'll say thank you, Life's River, for the wonderful ride.
Oh, I'll say thank you, Life's River, for the wonderful ride.
