

# Cold Morning Blues by Mike Adams (Capo 6th)

**(Intro)** G-----C-----G-----C----- x2

## **(Verse 1)**

G C G C  
Woke up this morning... and I was so cold.  
G C G C  
Ever since you left me girl... I can't seem to stay warm.  
G C G C  
I don't know, little darling just what I'm gonna do...  
G C G C  
Without your warm body next to me... and these cold morning blues.

## **(Verse 2)**

G C G C  
The sheets feel empty... the silence so loud.  
G C G C  
Without your sweet lovin' baby... it's like my head's in a cloud.  
G C G C  
My heart's been achin' and yearnin' for your lovin' embrace.  
G C G C  
When you're not here with me, this home's such a cold lonely place.

## **(Chorus)**

G C G C  
I've got these cold, cold, c-o-l-d, cold morning blues.  
G C G C  
Please bring your warm, warm, w-a-r-m body back to me soon.

**(Verse 3)**

G C G C  
Since you've been gone... I'm lost without your touch.  
G C G C  
In this cold lonely bed... been missing you so much.  
G C G C  
I still reach for your side... but you're not there.  
G C G C  
All I feel is a cold empty space... and frigid air.

**(Verse 4)**

G C G C  
The days pass by... but still the chill remains...  
G C G C  
and it ain't gonna get much warmer baby... till your home again.  
G C G C  
So, I'll keep on hoping... you'll come back someday...  
G C G C  
And lay your warm body next to me 'til these cold morning blues go away.

**(Chorus x2)** (2<sup>nd</sup> time without "Cause")

G C G C  
Cause I've got these cold, cold, c-o-l-d, cold morning blues.  
G C G C  
Please bring your warm, warm, w-a-r-m body back to me soon...

**(Outro)**

[C] G {let fade}  
Please come back to me soon.
