Don't Let The Old Man In by Toby Keith (No Capo)

<mark>[Intro]</mark>   **D** x4

<mark>[Verse 1]</mark>

       D*   **G***
Don't let the old man in… I wanna live me some more.
       A*   **D***
Can't leave it up to him… he's knocking on my door.

<mark>[Verse 2]</mark>

       D*   **G***
And I knew all of my life… that someday it would end.
       A*   **D**   **D7**
Get up and go outside… don't let the old man in.

<mark style="background:#33ff33">[Chorus]</mark>

       G*   **D***
Many moons I have lived… My body's weathered and worn.
          E*
Ask yourself how old would you be…
            A*
If you didn't know the day you were born.

[Verse 3]

       D*   **G***

Try to love on your wife… And stay close to your friends.

           A*   **D***

Toast each sundown with wine… Don't let the old man in.

[Interlude] D*   G*   A*   D   D7 (Humming Verse)

[Chorus]

       G*   **D***

Many moons I have lived… My body's weathered and worn.

              E*

Ask yourself how old would you be…

                 A*

If you didn't know the day you were born.

[Verse 4]

           D*   **G***

When he rides up on his horse… and you feel that cold bitter wind.

       A*   **D***

Look out your window and smile… don't let the old man in.

[Outro]

       A*   **D** {let fade}

Look out your window and smile… don't let the old man in.
