

Come A Little Closer by Dierks Bentley (Capo 3rd)

[INTRO] D G D G

[Verse 1]

D G D G
Come a little closer baby, I feel like laying you down.

D G D G
On a bed of sweet surrender, where we can work it all out.

Bm G Bm G
There ain't nothing that love can't fix, girl it's right here at our fingertips.

D G D G
So come a little closer baby, I feel like laying you down.

[Verse 2]

D G D G
Come a little closer baby, I feel like letting go.

D G D G
Of everything that stands between us, and the love we used to know.

Bm G Bm G
I wanna touch you like a cleansing rain and let it wash all the hurt away.

D G D-----D
So come a little closer baby, I feel like letting go.

[Bridge]

G*

D*

If there's still a chance, then take my hand, and we'll steal away.

G*

Up into the night, til we make things right,
