

Whiskey Lullaby by Brad Paisley feat. Alison Krauss (Capo 1st)

[Intro] Am F

[Verse 1]

She put him out... like the burnin' end of a midnight cigarette. C F Am

She broke his heart... he spent his whole life tryin' to forget. G C F G

We watched him drink his pain away a little at a time. Am G C

But he never could get drunk enough to get her off his mind. Am G C

Until the night... G

[Chorus 1]

He put that bottle to his head and pulled the trigger. C G

And finally drank away her memory. Am F

Life is short but this time it was bigger, C G

than the strength he had to get up off his knees. Am F

We found him with his face down in the pillow. C G

With a note that said I'll love her till I die. Am F

And when we buried him beneath the willow. C G

The angels sang a whiskey lullaby... F Am

[Am] F
la la la la la la la, la la la la la la l-a-a

Am F
la la la la la la la, la la la la la la l-a-a
