

Feels Like Home by Randy Newman (Capo 5th)

[Verse 1]

C G C* G*
C G C* G*

There's something in your eyes. Makes me want to lose myself.

F* C*
Makes me want to lose myself, in your arms.

C G C* G*
There's something in your voice. Makes my heart beat fast.

F* C*
Hope this feeling lasts, the rest of my life.

[Pre-Chorus]

Em F C---E----Am
If you knew how lonely my life has been,

F C G*
And how low, I've felt, for so long.

C F C E Am
And if you knew how I wanted someone to come--a--long,

F C G*
And change my world the way you've done.

[Chorus]

C* G*
It feels like home to me, feels like home to me.

F C Am D G*
It feels like I'm a-l-l the way back where I come from.

C* G*
It feels like home to me, feels like home to me.

F C D G C*
It feels like I'm a-l-l the way back where I belong.

[Verse 2]

C G C* G*
A win - dow breaks... down a long dark street.

F* C*
And a siren wails... in the night.

C G C* G*
But that's all right... 'cause I have you here with me.

F* C*
And I can almost see... through the dark there's a light.

[Pre-Chorus]

Em F C-----E---Am
If you knew how much this moment means--to--me.

F C G*
And how long I've waited for your touch.

C F C E Am
And if you knew how happy you are ma--king--me.

F C G*
Oh, I've never thought I'd love anyone so much.

[Chorus]

C* G*
It feels like home to me, feels like home to me.

F C Am D G*
It feels like I'm a-l-l the way back where I come from.

C* G*
It feels like home to me, feels like home to me.

F C D G C*
It feels like I'm a-l-l the way back where I belong. {← Repeat 1X Slow}
{let fade out on C the 2nd X}
