[Verse 1]

G C D
Who draws the crowd and plays so loud, baby, it's the guitar man.

G C D
Who's gonna steal the show, you know, baby, it's the guitar man.

[Chorus I]

Em* C*
He can make you love; he can make you cry.

Em* A*
He will bring you down, and he'll get you high.

C* Bm*
Something keeps him going, miles and miles a day,

Am* D*
to find another place to play.

[Verse 2]

G C D
Night after night who treats you right, baby, it's the guitar man.

G C D
Who's on the radio, you go and listen to the guitar man.

[Chorus II]

Em* C*
When he comes to town, and you see his face...

Em* A*
And you think you might like to take his place.

C* Bm*
Something keeps him drifting, miles and miles away...

Am* D*
Searching for the songs to play.

[Bridge]

Am* D*
Then you listen to the music, and you like to sing along.

G* Em*
You want to get the meaning out of each and every song.

Am* D*
And you find yourself a message and some words to call your own,
Em* C*
and take them home.

[Solo] G C D [x2]

[Chorus III]

Em* C*
He can make you love; he can get you high.

Em* A*
He will bring you down, then he'll make, make you cry.

Something keeps him moving, but no one seems to know,

Am* D*
what it is that makes him go

[Outro]

Am* D*
Then the lights begin to flicker, and the sound is getting dim.

G* Em*
The voice begins to falter, and the crowds are getting thin.

But he never seems to notice, he's just got to find another place,

Em* C* Em* C* Em* C*
to play.....Fade away..... got to play.....

Em* C* Em* C* Em* C*
fade away.....Got to play.....Fade away.....
