

50 Ways to Leave Your Lover by Paul Simon (No Capo)

[Intro] Em D C B - Em Am Em (*let ring*)

[Verse 1]

Em D C B
"The problem is all inside your head, she said to me,
Em D C B
The answer is easy if you take it logically.
Em D C B
I'd like to help you in your struggle to be free.
Em Am Em*
There must be... fifty ways to leave your lover."

Em D C B
She said: "It's really not my habit to intrude,
Em D C B
Furthermore I hope my meaning won't be lost or misconstrued,
Em D C B
But I'll repeat myself... at the risk of being crude.
Em Am Em*
There must be... fifty ways to leave your lover...
Em Am Em*
Fifty ways to leave your lover."

[Chorus]

G A
You just slip out the back Jack, make a new plan Stan,
C G
You don't need to be coy Roy, just get yourself free.
G A
Hop on the bus Gus, you don't need to discuss much,
C G
Just drop off the key Lee, and get yourself free.
G A
Ooh, slip out the back Jack, make a new plan Stan,
C G
You don't need to be coy Roy, you just listen to me.
G A
Hop on the bus Gus, you don't need to discuss much,
C G
Just drop off the key Lee, and get yourself free.

[Verse 2]

Em D C B
She said: "It grieves me so to see you in such pain.
Em D C B
I wish there was... something I could do, to make you smile again."
Em D C B
I said: "I appreciate that... and would you please explain
Em Am Em*
About the - fifty ways."

Em D C B
She said: "Why don't we both just sleep on it tonight,
Em D C B
and I believe, in the morning, you'll begin to see the light,"
Em D C B
and then she kissed me and I realized, she probably was right,
Em Am Em*
There must be... fifty ways to leave your lover...
Em Am Em*
Fifty ways to leave your lover.

[Chorus]

G A
You just slip out the back Jack, make a new plan Stan,
C G
You don't need to be coy Roy, just get yourself free.
G A
Oh, hop on the bus Gus, you don't need to discuss much,
C G
Just drop off the key Lee, and get yourself free.
G A
Slip out the back Jack, make a new plan Stan,
C G
You don't need to be coy Roy, you just listen to me.
G A
Hop on the bus Gus, you don't need to discuss much,
C G
Just drop off the key Lee, and get yourself free.
