

Seasons in the Sun by Terry Jacks (Capo 3rd)

[Verse 1]

G Goodbye to you my trusted friend.
G We've known each other since we were nine or ten.
Am Together we've climbed hills and trees.
G Learned of love and ABC's...
D Skinned our hearts and skinned our knees.
[G] Goodbye my friend it's hard to die.
G When all the birds are singing in the sky.
Am Now that spring is in the air...
G Pretty girls are everywhere... **D** Think of me and I'll be there. **G**

[Chorus 1]

G We had joy we had fun we had seasons in the sun.
D But the hills that we climbed were just seasons out of time. **G**

[Verse 2]

G Goodbye papa, please pray for me.
G I was the black sheep of the family.
Am You've tried to teach me right from wrong.
G Too much wine and too much song...
D Wonder how I got along. **G**
[G] Goodbye papa it's hard to die.
G When all the birds are singing in the sky.
Am Now that spring is in the air...
G Little children everywhere... **Am** **D** When you see them I'll be there. **G**

[Chorus 2]

We had joy we had fun we had seasons in the sun.
But the wine and the song like the seasons have all gone. ← Repeat 1x

[Verse 3]

Goodbye Michelle my little one.
You gave me love and helped me find the sun.
And every time that I was down.
You would always come around.
And get my feet back on the ground.

Goodbye Michelle it's hard to die.
When all the birds are singing in the sky.
Now that spring is in the air...
With the flowers everywhere...
I wish that we could both be there.

[Outro Choruses]

We had joy we had fun we had seasons in the sun.
But the stars we could reach were just starfish on the beach.
We had joy we had fun we had seasons in the sun.
But the stars we could reach were just starfish on the beach.
We had joy we had fun we had seasons in the sun.
But the wine and the song like the seasons have all gone.
All our lives we had fun we had seasons in the sun.
But the hills that we climbed were just seasons out of time.
