

Some Horses by Old Dominion (Capo 2nd)

[Intro] | Am | Em | G F | G F |

[Verse 1]

Am Em G F
I'm fast, I'm free... I turn my face against the wind.

G F
If someone tries to fence me in.

Am Em G F
I have, to see... What's beyond the beaten path.

G F
Always on to greener grass.

[Pre-Chorus]

F C
And that's what you love about me...

Dm G
and the reason you're without me.

[Chorus] {double time...}

Am G
I race and I run, I keep chasin' the sun.

F C
When I'm done, you see nothin' but dust.

Am G
I'm restless and rare with the wind in my hair.

F C
Goin' somewhere that I never was.

Am G
You were holdin' me knowin' I couldn't be broken.

F C
And now you're just holdin' the reins.

Am G
I'll love you forever, you should have known better.

F C
Some horses can never be tamed.

[Instrumental] | Am | Em | G F | G F |

[Verse 2]

Am Em G F
I might, not be... The painted sunset that you chose.

G F
But... not too many get that close, yeah.

Am Em G F
It's so bittersweet... I finally found an open field.

G F
I couldn't stand, just standin' still.
