

“What's this world coming to?” by Mike Adams (No Capo)

[Intro] C D Em* C D G*

[Verse 1]

C D Em*
What's this world coming to?

C D Em*
People living in dispair.

C D Em*
I see the sorrow in their eyes, mine too.

C* D*
Can we find a way? To make things okay...

[Chorus]

C D Em* C D Em*
What's this world coming to? Tell me, do you feel it too?

C D Em* C D G*
Are we lost or just confused? Oh, what's this world coming to?

[Verse 2]

C D Em*
In the streets, there's no relief.

C D Em*
Children cryin', beggin' please.

C D Em*
Cause, they see no tomorrow in their shattered dreams.

C* D*
We need to pave the way? Someone hear me, say...

[Chorus]

C D Em* C D Em*
What's this world coming to? Tell me, do you feel it too?

C D Em* C D G*
Are we lost or just confused? Oh, what's this world coming to?

[Bridge]

C* D*
What can we do?... What can we say?...

C* D**
In hopes to find a... brighter daaaaaaaay... yeah yeah

[Verse 3]

C D Em*
Through the darkness, shine your light

C D Em*
Help someone in need, through the night

C D Em*
All of us together, can heal this land,
C* D*
with a little kindness, and a helping hand.

[Chorus] 2x's

C D Em* C D Em*
What's this world coming to? Tell me, do you feel it too?

C D Em* C D G*
Are we lost or just confused? Oh, what's this world coming to?

[Outro]

C D G
Oh, what's this world coming to?
