

Nothing Takes the Place of You by Toussaint McCall (Capo 6th)

[Intro] G* Em* C D G*

[Verse 1]

I moved your pictures... from my wall...

And I replaced them, girl... both large and small.

And each new day... finds me so blue...

Because nothing, nothing, takes the place of you.

[Verse 2]

I read your letters... baby... one by one...

And I still love ya girl, ya know I do, when it's all said and done.

And ohhh my darlin... I'm so blue...

Because nothing, nothing, takes the place of you.
