

# I'm Still Fine by The Red Clay Strays (Capo 1<sup>st</sup>)

[Intro] C Em Am F

## [Verse 1]

C Em Am  
Sometimes I feel... Like I can't feel... This isn't real...

F C Em  
I should be hurting... I was alone... I was a song...

Am F  
Music and bone... God's perfect wording.

C  
And could the people understand this?

Em  
I'm as bruised as a used-up canvas.

Am  
I'm awfully nice, but I'm cold as ice,

F  
I've been through hell, but I'll be alright.

## [Chorus 1]

C Em Am  
People here living it up, I think they're blind. I think they're out of their minds.

F C Em  
Not one of them has had this. God's not givin' me up, no, I'm just fine.

Am F  
It's just a matter of time. Though I don't feel my sadness.

Dm G C Em Am F  
I know it should be there. Maybe I'm too tired to care. But I'm still fine.

## [Verse 2]

C Em Am  
I'm on display... I've lost my way... Oh God, I pray...

F C Em  
Let this pass over... I lost the note... I rocked the boat...

Am F  
I've even choked... I lost my composure.
