

# Time for Peace by Mike Adams (Capo 3<sup>rd</sup>)

**[Intro]** Em Em Am Em

## **[Verse 1]**

The fields are scorched... The rivers dry...  
Em Em

Ashes drift where birds should fly.  
Am Em

A mother's tear... A soldier's cry...  
Em Em

How many more? How long?... Oh why?  
Am Em

## **[Chorus 1]**

Time for peace... Time for love... Time to rise... Not push or shove.  
Em Em Am Em

We've walked this earth... for ages long...  
Em Em

Why can't we a-l-l... just get along?  
Am Em

## **[Break]**

Em Em Am Em  
Oh, Oh, Oh, Oh, Oh, Oh, Oh, Oh, Ohhhhhhh, Oh, Ohhhhh...

## **[Verse 2]**

The flags they wave... The cannons roar...  
Em Em

Dust settles on the temple door.  
Am Em

Men with power... craving more...  
Em Em

But what's it worth? What's it for?  
Am Em

**[Prechorus]**

**C** Bones in the soil... **B7** Scars on the skin...  
**Em** When does the healing begin? **Em**

**[Chorus 2]**

**Em** Time for peace... **Em** Time for love... **Am** Time to rise... **Em** Not push or shove.  
**Em** We've walked this earth... for ages long... **Em**  
**Am** Why can't we a-l-l... sing the same song? **Em**

**[Break]**

**Em** Oh, Oh, Oh, Oh, Oh, Oh, Oh, Oh, Ohhhhhhh, Oh, Ohhhhh...

**[Bridge]**

**C** The ancient stars... They watch us fight... **D** They've seen it all... **Em**  
**Em** This endless night... But even stars... **C** They fade from sight... **D**  
**Em** If we don't l-e-a-r-n... We'll lose the light... **Em**
