

# It's Time to Let Go by Mike Adams (No Capo)

**Intro** G-----D-----Em-----C-----

## Verse 1

G D  
Your best years are fading girl and... life goes by fast.

Em C  
Holding tight to somethin' you know... won't ever last.

G D  
The clock keeps ticking... the sun is sinking low.

Am C  
Life won't wait for you... but you still can't let him go.

## Chorus 1

G D  
It's time to let go... time to be free.

Em C  
Free from your prison... only you hold the key.

G D  
You've been dragging that chain—but a chain can't ever grow...

Em----- C-----  
Child, it's time to let go... it's time to let go.

## Verse 2

G D  
You built your whole world... on a crumblin' hill.

Em C  
Bound by a promise you know... he just can't fill.

G D  
The foundation's cracked... but you... still won't leave.

Am C  
Lost in a cage... that you carved out of grief...yeah.

## Pre-Chorus

Am D  
He ain't the ground beneath your feet.

Am D  
You've got your own heart... and it still beats.

## Chorus 2

It's time to let go... time to be free.  
The woman you are... is all you need to be.  
You've been dragging that chain—but a chain can't ever grow...  
Child, it's time to let go... it's time to let go.

## Bridge

I know he felt like all, you ever knew.  
But girl, there's a whole world, waiting for you.  
Step out the door, and feel, the air so wide.  
'Cause love ain't love when it... steals your pride.

## Outro Chorus

It's time to let go... time to be free.  
Your world's wide open, hope you'll finally see.  
You've been dragging that chain—but a chain can't ever grow...  
Child, it's time to let go... it's time to let go.

## Outro

Yeah, it's time to let go... *G {let fade}*
