

A Song with No Name by Mike Adams (Capo 3rd)

[Intro] Em----- Em----- Am7----- Em

[Verse 1]

I woke up this morning... Or maybe I didn't.
The sun rose up... Or maybe it was hidden.
I poured some coffee... Or was it just a dream?
Life's a blurry movie... Or so it seems.

[Chorus 1]

This is a song... A song with no name.
No plot, no purpose, It's all the same.
A tune about nothing, A ramble, A game.
Just strummin' and hummin' through life's silly frame.

[Verse 2]

I met a wise man... Or was it a tree?
He said, "Nothing's everything... Can't you see?"
I laughed and nodded... But my mind was blank.
Took my thoughts to the river... they sank.

[Chorus 2]

Em----- Em-----

This is a song... A song with no name.

Am7----- Em-----

No past, no future, just like a flame.

Em----- Em-----

A tune about nothing, A ramble, A game.

C B7 Em

Just strummin' and hummin' through life's silly frame.

[Verse 3]

Em----- Em-----

I opened a book... Or was it a wall?

Am7----- Em-----

It spoke of a secret... that wasn't at all.

Em----- Em-----

I took a long walk... Or did I just sit still?

B7----- Em

The world kept movin'... against my will.

[Bridge]

Am7----- Em-----

Is it pointl-e-s-s... or profound?

Am7----- Em-----

Does it f-l-o-a-t... or touch the ground?

Am7----- Em-----

Who c-a-r-e-s... let's spin it around.

C B7 Em

In a circle... Till we're dizzy... Unwound.

[Chorus 3]

Em----- Em-----

This is a song... A song with no name.

Am7----- Em-----

No rules, no ending, It's still the same.

Em----- Em-----

A tune with no meaning, A notion, A sigh.

C B7 Em

Just sittin' here singin' as the world passes by.

C B7 Em

Yeah, I'm just sittin' here singin' as the world passes by.
