

# “You” by Mike Adams (Capo 2<sup>nd</sup>)

**[Intro]** Am-----Am-----Am-----Am

## **[Verse 1]**

I saw you standing... still as the trees.  
The wind bent low... but you didn't seize.  
A moment passed... or maybe a year.  
Time's a thief... it's never clear.

## **[Chorus]**

You, ooo, ooo, ooo-oo-ooo, you, ooo, ooo, ooo-oo-ooo, ooo...  
You, always just out of view. Like a name I almost knew...  
You, ooo, ooo, ooo, ooo, ooo, ooo, oooo, ooo oo ooo...  
slipping through.

## **[Verse 2]**

Your eyes hold storms... clouds that collide.  
A tempest brewing... nowhere to hide.  
But I can't catch the rain... that falls.  
It pools... it fades... then nothing at all.

## [Chorus]

Am Am Dm7  
You, ooo, ooo, ooo-oo-ooo, you, ooo, ooo, ooo-oo-ooo, ooo...  
Am Am  
You, always just out of view. Like a name I almost knew...  
G Dm7  
You, ooo, ooo, ooo, ooo, ooo, ooo, oooo, ooo oo ooo...  
Am  
slipping through.

## [Bridge]

F G Am  
I called out loud, I called in vain.  
F G Am  
Your silence louder than the rain.  
F G Am  
You're a puzzle... missing the frame.  
G Dm7 Am\*  
And I'm the fool who plays the game.

## [Verse 3]

Am Am  
I walk the streets... the pavement worn.  
Dm7 Am  
A path of questions... edges torn.  
Am Am  
Each step I take... I'm chasing air.  
Dm7 Am  
You're everywhere... and you're not there.

## [Outro]

Am Am Dm7  
You, ooo, ooo, ooo-oo-ooo, you, ooo, ooo, ooo-oo-ooo, ooo...  
Am  
and you're not there. {repeat outro then let fade}
