

I Call You Mama by Mike Adams (Capo 5th)

[Intro] G* D* Em* C* {let fade}

[Verse 1]

Forty-two years, of steady grace.

You stepped right in and took your place.

Never asked for praise or anything more,

just opened your heart and stayed.

I called you by your name back then.

But love ran deeper than imagined.

You weren't just part of the story. You became the home I knew.

[Pre-Chorus]

Those quiet moments, still shine like a light.

You filled the house with love, made the wrong days feel right.

[Chorus]

So, I call you Mama... 'cause that's who you are.

You went farther for me than you had to.

You carried my father through every scar.

I love you more, than I ever said out loud.

You earned that name in the quiet ways you love,

and I hope I make you proud.

[Verse 2]

You've been Dad's best friend all the years. ^{G*}

You kept him laughin', calmed his fears. ^{Em*}

You stood beside him, day and night. ^{C*}

You showed me what love looks like. ^{G D}

[Pre-Chorus]

When the world got heavy, you held on strong. ^{Am7* D*}

You kept the fire burning, when the nights felt long. ^{Am7* D*}

[← Back to Chorus]

[Bridge]

You are strong when we are weak... a light when nights are long. ^{Am7* D*}

If I could be more like you, Mama... I know I won't go wrong. ^{C* D* G*}

[Verse 3]

Time moves fast, and days grow thin. ^{G*}

But I'd choose you, all over again. ^{Em*}

You gave more love, than anyone knew. ^{C*}

Life feels right beside you. ^{G D*}

[← Back to Chorus]

[Outro]

Oh Mama... you've been a blessing all along... so this is your song. ^{Am7* D* G* let fade}
