

# Never Too Late by Mike Adams (Capo 2<sup>nd</sup>)

**Intro:** C-----Em-----Am-----F-----

## Verse 1:

C Em Am  
I've been standing at the crossroads. Looking back at all my fears.  
F C  
Every dream I left behind... buried underneath the years.  
Em Am  
But somethings stirring in me now... A voice that won't be still.  
F C  
Says the future's mine for taking... and I know it always will.

## Chorus:

[C] Em Am  
It's never too late to be... everything I was meant to be.  
F  
The story's still unwritten...  
C Em Am  
It's never too late to find... The courage left behind.  
F C  
My heart's awake, I'm livin'... It's never too late.

**Break:** [C]-----Em-----Am-----F-----  
It's never too late.

## Verse 2:

C Em Am  
I've been holding on to reasons, why I couldn't make the change.  
F C  
All those little voices sayin', my moment's out of range.  
Em Am  
But time's not my enemy... It's the ally I've been seeking.  
F C  
Every sunrise is permission... to become what I've been dreaming.

## Chorus:

[C] It's never too late to be... everything I was meant to be.  
Em Am  
F  
The story's still unwritten...  
C Em Am  
It's never too late to find... The courage left behind.  
F C  
My heart's awake, I'm livin'... It's never too late.

F C Em  
So I'm shedding all the armor, breaking free from all the limits,  
G F C  
that I built around this place... ..The person I could be is calling,  
G\* C  
starting now, starting here... I'm letting myself in.

## Verse 3:

[C] Em Am  
Now I'm walking down a new road... with my head held high.  
F C  
All those dreams I thought were gone... are coming back to life.  
Em Am  
Every step's a revelation... Every breath is feeling new.  
F C  
And the person I'm becomin'... was inside me all the way through.

## Chorus:

[C] Em Am  
It's never too late to be... everything I was meant to be.

The story's still unwritten...
