

# Hold Me Steady by Mike Adams (Capo 6<sup>th</sup>)

**Intro** G----- G----- G----- G {let fade}

## Verse 1

I spent a long time lost in my ways,<sup>C</sup>

Chasing things that never stayed.<sup>G</sup>

Then you showed up and took my hand,<sup>D</sup>

Helped me be a better man.<sup>G----- G {let fade}</sup>

## Chorus

Hold me steady when I fall,<sup>C</sup>

Be the one I lean on through it all.<sup>G</sup>

You pulled me out, you brought me home.<sup>D</sup>

I'm done runnin', I'm not alone.<sup>C</sup>

So, hold me steady, keep me close.<sup>G----- G {let fade}</sup>

## Verse 2

I made mistakes I can't undo,<sup>C</sup>

But somehow I still ended up with you.<sup>G</sup>

You saw the good I couldn't find,<sup>D</sup>

Gave me love that cleared my mind.<sup>G----- G {let fade}</sup>

## Chorus

Hold me steady when I fall,  
Be the one I lean on through it all.  
You pulled me out, you brought me home.  
I'm done runnin', I'm not alone.  
So, hold me steady, keep me close.

## Bridge

Am  
If the world gets rough someday,  
I'll stay right here, I won't stray.

## Verse 3

Every scar and broken dream,  
You made sense of what they mean.  
Now I wake up knowing why,  
You're the reason I still try.

## Final Chorus

So, hold me steady when I fall,  
You're the one I lean on through it all.  
You pulled me out, you brought me home.  
I'm done runnin', I'm not alone.  
So, hold me steady, keep me close.  
Yeah, hold me steady, keep me close.
