

I'll Stand by Your Side by Mike Adams (Capo 5th)

Intro G*----- Em*----- C----- D----- G*

Verse 1

When the weight gets heavy and you... can't go on.

When the road f-e-e-l-s, too dark and long.

You don't have to face it... all alone.

Just reach out... I'll help you get home.

Chorus

I'll stand by your side... through the storms and pain.

When you're losing your fight... I'll be there just the same.

We all need somebody... sometimes to get through.

So lean on me, my friend... 'cause I'm here for you.

Verse 2

There are days when nothin'... goes your way.

When you can't f-i-n-d the words to say.

Don't keep it in just... talk to me.

That's what friends are for, you see. **^^^Back Up To Chorus^^^**
