

Four Brothers, One Heart by Mike Adams (Capo 5th)

(Intro) G-----Em-----C-----D-----

(Verse 1)

G Em
It started on the Philly bricks... back in fifty-six
C D
When Ray Ray led the way through... the scrapes and politics.
G Em
By fifty-nine and sixty-two... the house began to grow,
C D
With Jimmy and with Michael, family love began to flow.
G Em
Then sixty-four brought Scotty... the youngest of the crew,
C D
Seven years before the Bergholz winters, turned Ohio's hills to blue.

(Chorus)

G D
And the miles are just a number, on a map we learned to read,
Em C
From the City of Brotherly Love... to the lives we've had to lead.
G D
We're scattered like the autumn leaves, far from where we stood,
Em D C* D* [G]
But the blood... runs deep from Bergholz... down to Hollywood.

(Intro) G-----Em-----C-----D-----

(Verse 2)

G
The years pulled at the anchors, and the boys became the men,
C
But when we all get together, we're like children once again.
G
Ray found a home in Coppell, where the Texas stars shine bright,
C
While Jim is in Atlanta, beneath the Georgia city lights.
G
Mike lives in small town Thomasville, where the air is still & sweet,
C
And Scott is down in Hollywood, with the sand beneath his feet.

(Bridge)

G
We're the legacy of fifty-six, the strength of sixty-four,
Em
We've opened up a thousand paths and walked through every door.
G
No matter where we're waking up, or how the maps are drawn,
Em
The bond we forged in Philly, is the light that leads us on.

(Outro)

G* **D*** **Em*** **C***
Right from the start... Four brothers, One h-e-a-r-t.
G* **D*** **Em*** **C*** **G**{let fade}
Yeah, right from the start... Four brothers, One h-e-a-r-t.
