

I'm Right Here by Mike Adams (Capo 4th)

Intro G-----Em-----C-----D-----

Verse 1

G Em
You asked me who I was this afternoon.
C G
Said "sir, I think you've got the wrong room".
G Em
I said "darling, it's me" and you looked away.
C G
I've been losing you a little more each day.
G Em
I showed you our old photographs, last night.
C G
You said "what a nice couple" — and you were right.
G Em
I said "yeah they were. That was me and you."
C D*
You smiled at the strangers... that we grew into.

Chorus

G Em
You're calling out for Raymond, calling out for your man.
C D
I take your hand and hold it — that's all I understand.
G Em
You won't remember that I came. You won't remember my name.
C D
But I made a promise and I mean to see it through...
G*
I'm right here, I'm right here with you

Verse 2

^G I bathe you now, I dress you, make your eggs the way you like. ^{Em}

^C I don't mind the work — I mind the nights. ^D

^G When you wake up scared and swinging, don't know where you are. ^{Em}

^C That's the part that leaves a mark. ^D

^G But yesterday you reached over, patted my hand twice. ^{Em}

^C Didn't know me — but you wanted me beside you. ^D

^G And I'll take it... Lord... I'll take it. ^{Em}

^C Some days that's enough to get me through. ^D

← Back to Chorus

Bridge

^G I said those words on a Saturday in June. ^{Em}

^C Never knowing where those vows would lead us to. ^G

^G In sickness and in health — I said it like it was easy. ^{Em}

^C I understand it now. Every word of it. I do. ^D

Outro

^G I'm not asking her to thank me... Not asking her to know. ^{Em}

^C She won't remember that I stayed... ^D

But somewhere in there — she knows

^G I'm right here... ooo ooo... ^{Em} I'm right here... ^C hmmm... ^D I'm right here. ^G*{let fade}*
