

Found My Forever by Mike Adams (Capo 6th)

Intro G-----D-----Em-----C-----

Verse 1

Didn't know what love could be.
'Til you walked right up to me.
And everything just opened like a door.
One small smile and there it was.
Something real, something enough.
A feeling I'd been quietly waiting for...

Chorus

I found my forever in your eyes.
Where every moment feels alive.
You're the calm that pulls me through.
I'm standing here in awe of you.

Verse 2

Walking down that gravel lane.
You turn the heavy into plain.
You make simple things feel bright... and new.
When the world is loud and rough.
You remind me I'm enough.
Just by being who you are and holding true.

Chorus

I found my forever in your eyes.
Where every moment feels alive.
You're the calm that pulls me through.
I'm standing here in awe of you.

Bridge

Let's take our time, let the night stay.
I'll hold you close 'til the first light breaks.
Every beat I feel... says it's you.

Verse 3

Years ahead when seasons change.
Lines appear and hair turns gray.
I'll still reach for you the way I do today.
If the road gets tough someday.
We'll face it both come what may.
Your love's the place I'll always choose to stay.

Outro

Just you and me... steady and true.
My whole heart lives in loving you.
